

In the case of AltRaid vs Crimeo

Written by Orinnari, Member of Parliament and Minister for Citizenship of Southshire.

As requested, a case has been opened to investigate a situation between two non-Southshire nationals on sovereign Southshire territory, AltRaid and Crimeo. And so the goal of this document is to provide a comprehensive as is possible retelling of the events in order to appropriately charge and if necessary, sentence the accused. For transparency we state that we do not have a replay file, and so will instead be using testimony in conjunction with chat logs to paint a relatively clear picture of what happened.

Crimeo, under the alt account of Gavjenks was in the underground shopping area of Westminster known as Shopside. And the following conversation occurred in the Commonwealth #general Discord channel.

[00:20] **mike0war**: Anyone know starmax6 or Gavjenks? They are in shopside and not replying to chat hellos.
[00:21] **callum**: gavjenks is crimeo
[00:21] **Conis2**: gavdsdsd is crimeo
[00:21] **callum**: I win
[00:21] **Conis2**: and you typed it correctly
[00:21] **Conis2**: good job
[00:22] **Conis2**: someone pls kill crimeo just for the memes :smile:
[00:24] **Xavter**: (@mike0war) gavjenks is raider
[00:24] **Xavter**: be careful
[00:26] **mike0war**: I am not in WM and Gavjenks has now replied. Doing some shopping apparently in shopside.
[00:26] **mike0war**: Will see later if they were using a card or a case opener.
[00:27] **jayms | VoteLabour**: (@Xavter) meme or no meme?
[00:27] **Xavter**: (@mike0war) (@jayms | VoteLabour) Gavjenks is crimeo, don't worry, he's only raided my emotional stability
[00:28] **Xavter**: Starmax is also fine

AltRaid has stated that he saw Xavter's message and believed it, but that he didn't see the subsequent messages that made it obvious that Xavter was merely memeing. Exactly half an hour later, Crimeo arrives in Southshire via the Commonwealth rail. He claims he was looking for the connection to Yoahtl but by proximity found the empty, to be completed interstate rail line instead of the existing underground line.

It is unclear where AltRaid was when Crimeo arrived in Southshire, as twenty minutes had passed since Baes had sent a message in Southshire's global chat that suggested AltRaid was in Southshire, or at the very least nearby.

[00:42:09] Baes20: DONT SAY THIS ALTRAID IS IN TOWN

And so, it could be possible that AltRaid followed behind Crimeo on the rails, or that he was logged for that period, or was afk, or just running around in a small area. Either way, the exact nature of his movements are unknown up until he enters the train station twenty seconds after Crimeo.

AltRaid followed Crimeo, but not directly, Instead following while above ground moving towards the northern of the two apartment towers via a detour between the Brewery and the Giraffe. It's likely that he then scaled down the side of the cliff face to get to the end of the tunnel from the outside.

AltRaid held Crimeo for almost forty minutes wherein he made his way back to NYC, Yoahltl and released him with apparent reluctance. Crimeo, who was unfamiliar with the city and otherwise remained unaware of the existing rail connection to Southshire, made his way back by boat where he found his belongings.
